

MHSA Consumer & Stakeholder Forum

The MHSA Forum/QIC meeting is similar to a Town Hall meeting. We meet in different locations around the County approximately once a month. It is your opportunity to learn more and provide feedback about the programs being offered and that are needed within Mendocino County.

We welcome consumers, family members, community members, counselors, and any providers who wish to attend. This is a good opportunity to give scenarios of what is working and feedback of what can be improved upon within your area, or the Mental Health System of Care for your Mental Health needs.
