The terrestrial Town of Mendocino boundaries are as approved by the California Coastal Commission in the 1990 geographic segmentation of the Town for LCP purposes.

This map incorporates the current (10-2014) Mendocino County Assessor's Parcel Map lines within the Mendocino Town Plan boundaries. The parcel lines as portrayed are for tax purposes only, and should not be construed as representing legal lot boundaries.

Boundaries shown on this map do not establish or depict State of California ownership boundaries or Post-Town of Mendocino Local Coastal Program certification permit and appeal jurisdiction.

The Town of Mendocino boundary along the Pacific Ocean, Mendocino Bay, and tidal lower Big River follows the shoreline. (Government Code Section 23123).

This map has been produced by the County of Mendocino Department of Planning and Building Services, November 7, 2017.
