

Mendocino County Mental Health Quality Improvement Committee & Mental Health Services Act Meeting :

**Thursday, March 22nd, 2018
3:30-5:30 pm**

We welcome consumers, family members, community members, counselors, and any providers who wish to attend. This is a good opportunity to give scenarios of what is working and feedback of what can be improved upon within your area, or the Mental Health System of Care for your Behavioral Health needs.

Mendocino County Behavioral Health and Recovery Services Quality Assurance department oversees Redwood Quality Management Company (RQMC) for delivery of Mental Health services. The Mental Health Services Act team oversees all programs and outreach services pertaining to the MHSA.

The MHSA Forum/QIC meeting is similar to a Town Hall meeting. It is your opportunity to learn more and provide feedback about the programs being offered and that are needed within Mendocino County.

We invite any testimonials for what is working as well as suggestions for improvements. Individuals can also talk about their personal experiences.
