RFQ GENERAL PROVISIONS**

1. BRANDS

Unless otherwise stated, the use of the name of a manufacturer, or of any special brand or make in describing any item contained in these specifications and proposals does not restrict quoters to that manufacturer's specific article. This means it's used to simply indicate the character or quality of the article desired. The equipment on which proposals are submitted must be acceptable as equal in character, quality, and utility to brand and/or make indicated herein. The make or grade of the article on which a quotation is submitted should be stated in the quotation in every instance. Unless otherwise stated, it will be understood to be the specific article named in the proposal.

2. QUOTATIONS

If quotation is on an "All or Nothing" basis, bidder must so state. Cash discount must be shown on quotation; otherwise prices will be considered net. Time of delivery is a part of the quotation and must be adhered to. If it is impossible to meet delivery specified in Request for Quotations, quoter shall state best delivery possible in the column provided opposite an individual item or in the space provided for all items. Time, if stated as a number of days, shall mean calendar days.

3. TAXES

Quoters must not include Federal Excise Taxes in quotation. Exemption certificate will be furnished to the successful quoter.

4. SAMPLES

Samples of items, when required, must be furnished free of expense to the County of Mendocino and if not destroyed by tests will, upon request, be returned at the quoter's expense. Samples of selected items may be retained for comparison.

5. SUBMISSION OF BIDS

Quotations and modifications or corrections thereof received after the closing time specified will not be considered. Quotations will not be accepted via telephone or facsimile unless specifically approved by the Purchasing Office in advance.

6. AWARDS

The County of Mendocino reserves the right to accept quotations on individual items listed, on groups of items, or on the proposal as a whole, to reject any and all quotations, to waive any informality in the quotations, and to accept the responsive quotation that appears to be for the best interest of the County of Mendocino. In determining the successful quoter, the quoted prices will be given prime consideration. However, quality, delivery, warranty, suitability, compatibility with existing equipment and manufacturer's and/or vendor's reputation will be considered along with any other relevant facts.

7. PAYMENT

Payments shall be made upon submission of itemized invoices in duplicate, at the prices stipulated on the purchase order, for supplies or equipment delivered and accepted or services rendered and accepted, less deductions, if any, as provided on the purchase order.

8. DISTRICT PARTICIPATION BY PUBLIC ENTITIES WITHIN MENDOCINO COUNTY

Any or all Mendocino County tax-supported agencies such as schools and cities within the jurisdiction of Mendocino County who wish to participate shall be included in this quote. 9. PRICES AND TERMS

Unless stipulated otherwise, prices and terms quoted herein shall be made available to other public agencies.

10. SUSTAINABLE PRACTICES AND PROCUREMENT OF RECYCLED PRODUCTS

11. LOCAL VENDOR PREFERENCE

The County of Mendocino has established a local vendor preference. All informal and formal Invitations to Bid or Quote are evaluated with a 5% preference for local vendors. The vendor must claim local vendor preference to be considered. Please note the following exceptions:

- Those contracts which State Law or, other law or regulation precludes this local preference
- Public Works construction projects

“Local” vendor will be approved as such when, 1) it conducts business in an office with a physical location within the County of Mendocino; 2) it holds a valid business license issued by the County, and will be asked the name of the Local Agency which issued the license; and 3) business has been conducted in such a manner for not less than six (6) months prior to being able to receive the preference, said vendor will be asked the business address and how many years the business has been at that location.

12. PAYMENT OF PREVAILING WAGES

Pursuant to the provisions of the Labor Code of the State of California, the Department of Industrial Relations has made a determination of the rate of per diem wages to be paid on the prevailing rate of pay for regular, holiday and overtime work in the locality in which the public work is to be performed, for each craft, classification, or type of workman needed to execute the contract. All County of Mendocino projects greater than \$1,000 require that contractors adhere to Prevailing Wage requirements (California Labor Code, Sections 1770 through 1775). The rates can be found online here: <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>

13. CONTRACTOR REGISTRATION

It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
