RFQ GENERAL PROVISIONS**

**1. BRANDS**

Unless otherwise stated, the use of the name of a manufacturer, or of any special brand or make in describing any item contained in these specifications and proposals does not restrict quoters to that manufacturer's specific article. This means it's used to simply indicate the character or quality of the article desired. The equipment on which proposals are submitted must be acceptable as equal in character, quality, and utility to brand and/or make indicated herein. The make or grade of the article on which a quotation is submitted should be stated in the quotation in every instance. Unless otherwise stated, it will be understood to be the specific article named in the proposal.

**2. QUOTATIONS**

If quotation is on an "All or Nothing" basis, bidder must so state. Cash discount must be shown on quotation; otherwise prices will be considered net. Time of delivery is a part of the quotation and must be adhered to. If it is impossible to meet delivery specified in Request for Quotations, quoter shall state best delivery possible in the column provided opposite an individual item or in the space provided for all items. Time, if stated as a number of days, shall mean calendar days.

**3. TAXES**

Quoters must not include Federal Excise Taxes in quotation. Exemption certificate will be furnished to the successful quoter.

**4. SAMPLES**

Samples of items, when required, must be furnished free of expense to the County of Mendocino and if not destroyed by tests will, upon request, be returned at the quoter's expense. Samples of selected items may be retained for comparison.

**6. AWARDS**

The County of Mendocino reserves the right to accept quotations on individual items listed, on groups of items, or on the proposal as a whole, to reject any and all quotations, to waive any informality in the quotations, and to accept the responsive quotation that appears to be for the best interest of the County of Mendocino. In determining the successful quoter, the quoted prices will be given prime consideration. However, quality, delivery, warranty, suitability, compatibility with existing equipment and manufacturer's and/or vendor's reputation will be considered along with any other relevant facts.

**7. PAYMENT**

Payments shall be made upon submission of itemized invoices in duplicate, at the prices stipulated on the purchase order, for supplies or equipment delivered and accepted or services rendered and accepted, less deductions, if any, as provided on the purchase order.

**9. PRICES AND TERMS**

Unless stipulated otherwise, prices and terms quoted herein shall be made available to other public agencies.

- Public Works construction projects

“Local” vendor will be approved as such when, 1) it conducts business in an office with a physical location within the County of Mendocino; 2) it holds a valid business license issued by the County, and will be asked the name of the Local Agency which issued the license; and 3) business has been conducted in such a manner for not less than six (6) months prior to being able to receive the preference, said vendor will be asked the business address and how many years the business has been at that location.

**12. PAYMENT OF PREVAILING WAGES**

Pursuant to the provisions of the Labor Code of the State of California, the Department of Industrial Relations has made a determination of the rate of per diem wages to be paid on the prevailing rate of pay for regular, holiday and overtime work in the locality in which the public work is to be performed, for each craft, classification, or type of workman needed to execute the contract. All County of Mendocino projects greater than \$1,000 require that contractors adhere to Prevailing Wage requirements (California Labor Code, Sections 1770 through 1775). The rates can be found online here: <http://www.dir.ca.gov/OPRL/DPreWageDetermination.htm>

**13. CONTRACTOR REGISTRATION**

It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.
