**MEMORANDUM**

**DATE:** August 6, 2018

**To:** Mendocino Historical Review Board

**FROM:** Planning and Building Services

**SUBJECT:** **MHRB 2018-0008 Requested Continuance to September 10**

---

On June 4, 2018, the applicant's agent requested MHRB\_2018-0008 be continued to August 6, 2018 to allow them time to consider the Review Board's comments and to revise their application proposing electrical vehicle charging stations. Staff has discussed with application the need to timely file a revised application, which has not occurred. Therefore, staff requests a second continuance to September 10, 2018. This would provide time for the applicant to revise their application, staff to review the revisions and prepare recommendations for the Review Board's consideration.
