

TODD GROVE

Walking Route

Marked in red, the Todd Grove walking route is 2.6 miles and passes some of the historic houses on the west side of Ukiah. It enters the wooded Gibson Creek canyon with its towering redwoods. The route then cuts through Giorno park past Anton stadium before crossing the street to enter the large Todd Grove park. Todd Grove park provides seating, play areas and play equipment, expansive grass areas and bathrooms. Exit Todd Grove park through the WPA-era stone gateway. The route has moderate grades with many shaded areas and seating. On your return trip along School Street, you will pass quaint bakeries, restaurants and shops.
