We thought that the people living around the Mitchell Creek/ Franklin Road areas had made it very clear we do not want any cannabis grows in our neighborhoods. It is not appropriate here. This is a family neighborhood. All the concerns we had about a grow still are here- from traffic to water shortages.

So Again- we do Not want a cannabis grow in our neighborhood.

I know nothing stays the same and changes are always coming. I have lived here on Franklin Rd. all my life. So now at 60+ years- there are Many more people living here, and two of my biggest fears include Fire and water shortage. Now we deal with these cars and trucks flying down our small and populated road to the huge greenhouse at all times of day and night. A cannabis grow is Not for this neighborhood.

Thank you for taking time to listen again to us. Merle and Michele Herrick [928 821-3197](tel:9288213197)

PS I will not be able to attend the meeting over in Ukiah regarding this, I do want our opinions to count though.
