RECOMMENDATIONS

Recommendation #5 – I (we) agree with Recommendation #5 and have instructed Officers within our Department to advise victims of their rights. Ukiah Police Department policy also required Officers, when appropriate, to advise the victim of the availability of the victim information and notification everyday (VINE) program. VINE is a free, computer based telephone service that allows victims to check offender's custody status and register to receive automatic notification when the offender is released from custody.

Recommendation #6 – I (we) agree with Recommendation #6 and do follow the guidelines under Penal Code 646.91. A Police Officer can obtain an Emergency Protective Order when the Officer has reasonable ground to believe that a person or the person's immediate family is in immediate and present danger of being stalked.
