Re: Response to the report titled: *The Bottom Line, Northern Inland Recreation District*
• Brooktrails Township CSD Board of Directors (All Findings: Recommendation 1)

Dear Ms. Wylie:

Background:

Brooktrails Township CSD Board of Directors met at a Regular Board Meeting June 9, 2010 and is responding to the above report [¶] dated May 14, 2010.

[¶] [Under your Grand Jury report you recommended that a collective effort be made by various agencies, including a recreation district community support group, to develop a Recreation District with the direction of LAFCO. The District, at a minimum, would include Brooktrails, Willits, and their spheres of influence.]

Answer:

Regarding All Findings → Recommendation 1:

Brooktrails Township CSD is not interested in doing this. The Grand Jury under your report did not address the facilities that we independently support (e.g., Brooktrails golf course, parks, trails, etc.). Furthermore, we are already an established recreation district. Lastly, Brooktrails residents shop locally supplying a consistent source of sales tax to the City of Willits to help support its recreational facilities.

Yours truly,

Mike Chapman
