RE: Case # MHRB_2020-0016

January 26, 2021

Dear MHRB Board Members,

I support the proposed renovation and expansion of the shed at 45320 Calpella Street. Constructive use of the building allows the owner to live and work on site, which is healthy for the community.

I support approval a project which addresses the applicant's needs while remaining consistent with the MHRB guidelines.

Thank you for your efforts on behalf of our community.
