

Hello, my name is Oly!

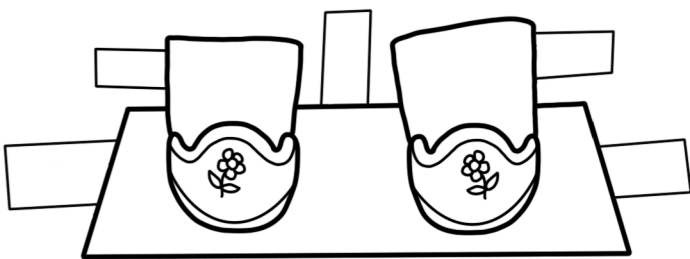

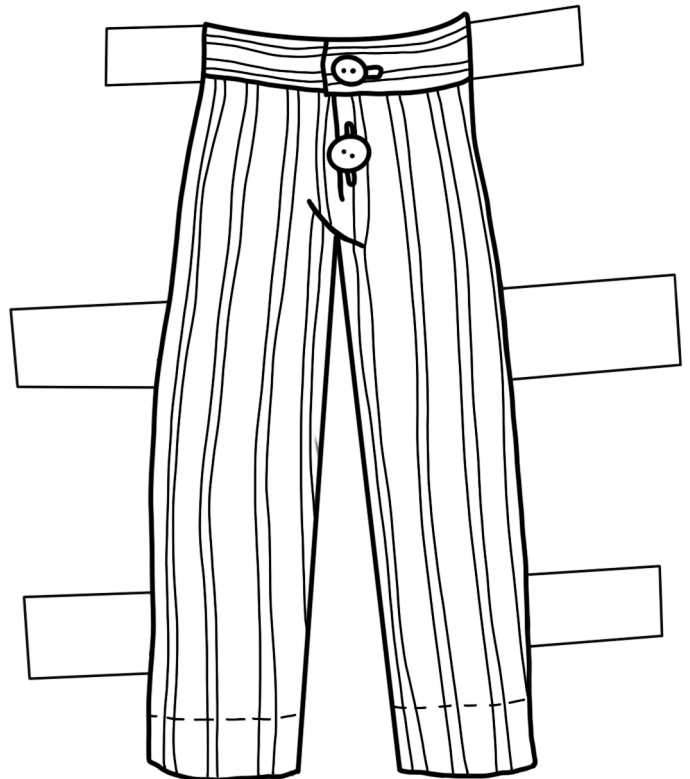

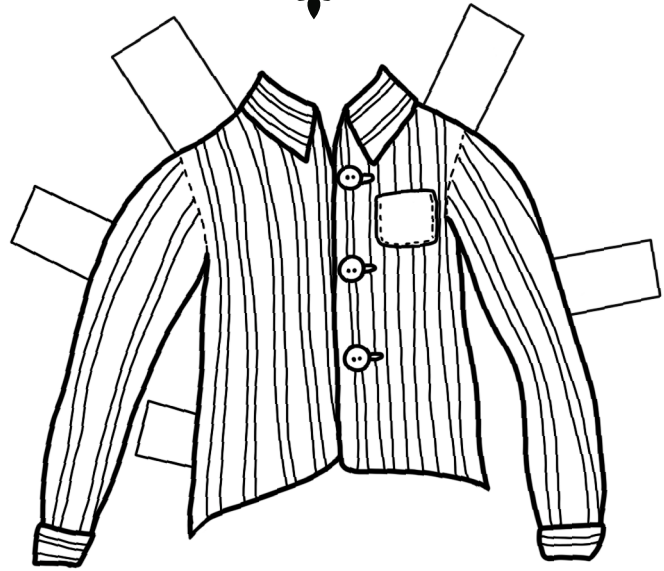

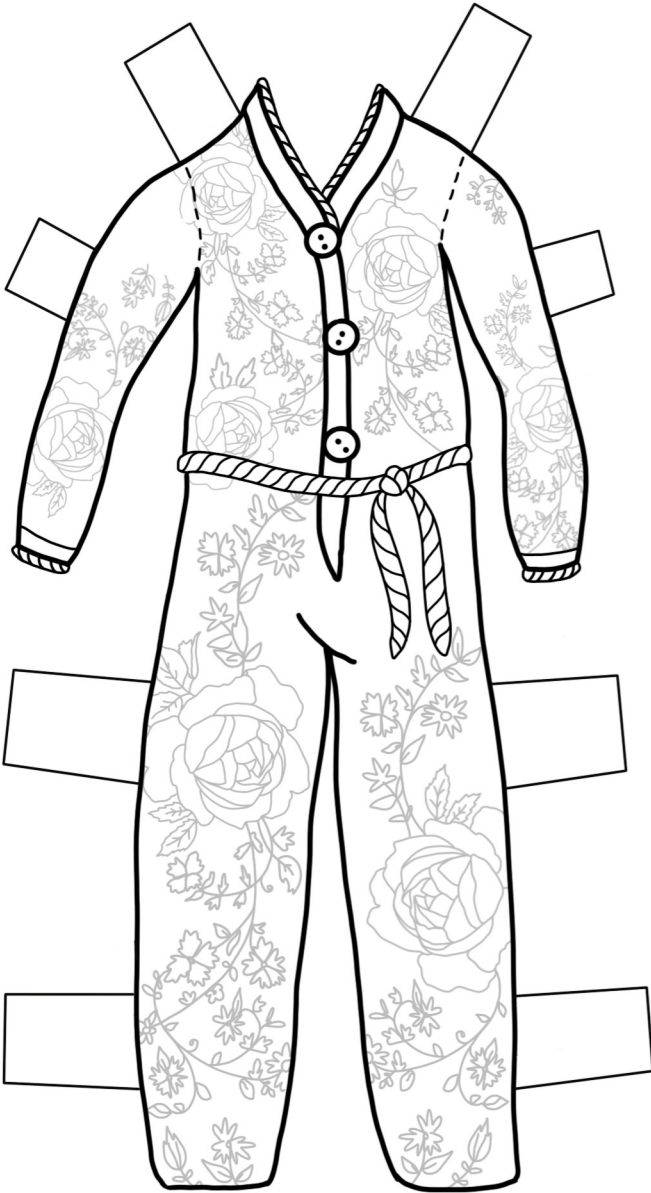

I was made with lots of care and attention to detail right here in Mendocino County as a very special gift for a little girl named Joyce. My maker was named Johannes Frones and his nickname was Oly just like me!

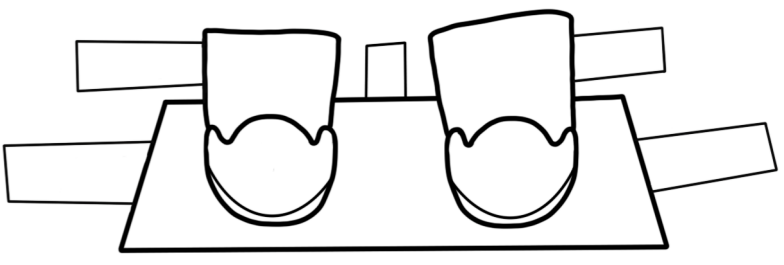

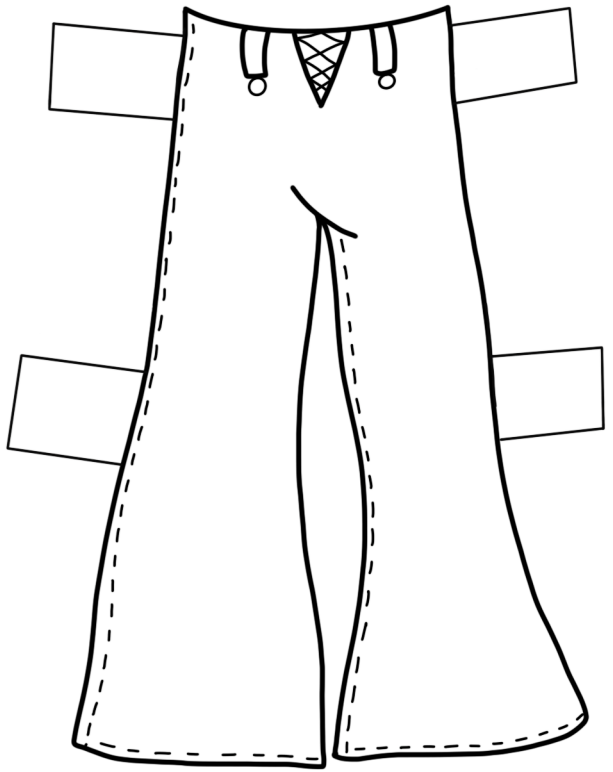

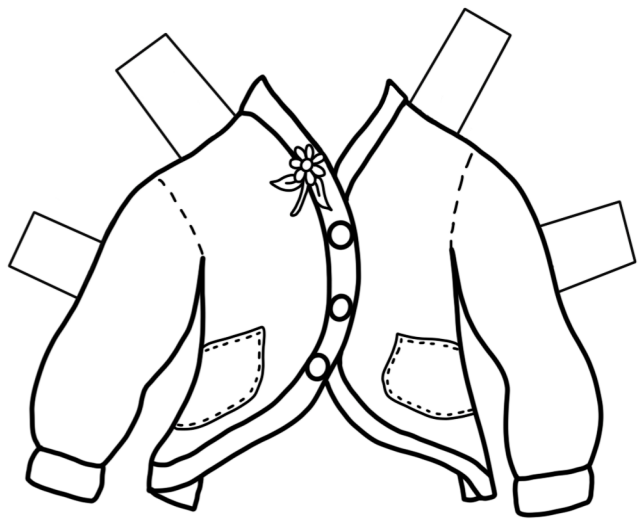

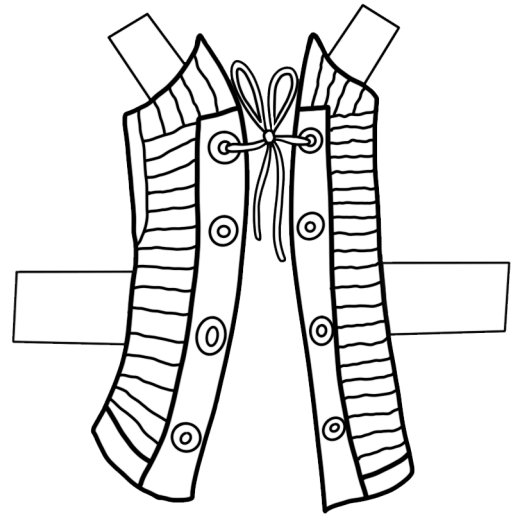

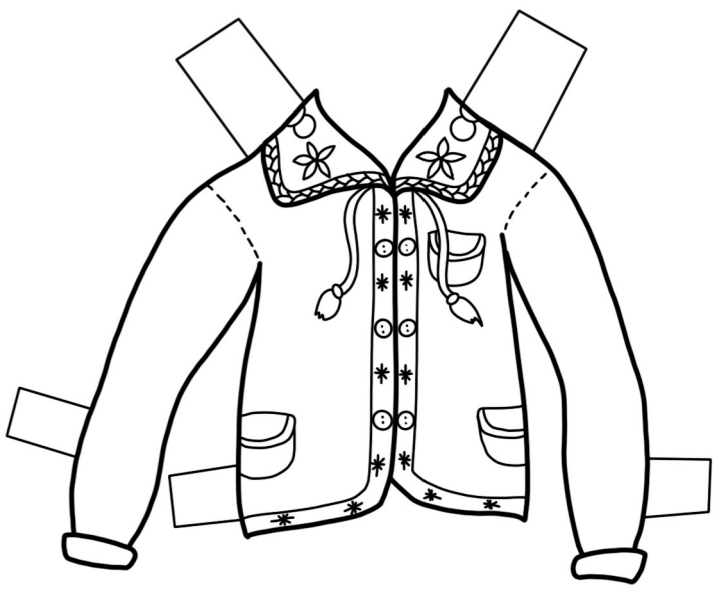

Directions: Color Oly and his outfits then cut along the outlines of his clothes. Make sure to leave the tabs.

Johannes was from the country of Finland, he decorated my clothes with flowers, stripes, and geometric patterns that reminded him of his homeland.

Before he came to Mendocino County
Johannes was a sailor, so he made me a sailor too!

Oly was donated to the Mendocino County Museum by Joyce West.
