The MHRB Preservation Award is granted bi-annually in recognition of outstanding contributions to the preservation of our historic community. The award may be for a project, a person, a building, or a program. The Review Board welcomes nominations from community members, including current and previous Board members.

Nomination: Barn located at 45141 Calpella St.

Statement of Achievement: _____

I would like to nominate the barn located at 45141 Calpella St. in Mendocino for the 2021 Preservation Award. The barn is actually located on Ukiah St. but sits on the lot owned by Kelly & Michael Barrett on Calpella St. The barn was restored in 2020. The permit application came before the Review Board in 2019 (MHRB 2019-0010). The architect was Kelly Grimes. The original structure was pretty much of a nondescript eyesore and a blight on Ukiah St. The structure was beautifully restored and modified last year with a new foundation, windows and roof, and restoring and reusing the barn's redwood boards, battens and trim and adding sliding barn doors. It is now a proud addition to Ukiah St.
