Case 3A CDP 2020-0022

In regard to the Shed we want to remove

We had a conversation with our neighbor, the homeowner adjacent to our property to the north, Marilyn Long. She described the shed as: "A portable shed, brought there in 1998, at the earliest." It was not there when she moved into her house. It is a Pre-Fab Storage Unit you would find at a Home Improvement Retailer. See Photo attached.

Thank You,

Bill and Audrey Irwin
