MEMORANDUM

May 28, 2021

RE: RN 2020-0009 Middle Road

Middle Road is an unnamed private road in the Willits area, taking access from Bear Canyon Road (private), 0.44± miles east of its intersection with Lakewood Drive (CR 304-B).

Middle Road is one of three roads that staff, together with the Little Lake Fire District, have identified as presenting potential hurdles to emergency response due to their rural and remote nature. The other two roads being *Old Boy Scout Road* (RN 2020-0002) and *Redwood Creek Road* (RN 2020-0013).

The proposed route for *Middle Road* will connect between Bear Canyon Road and the proposed *Old Boy Scout Road*, providing additional clarification for parcels in this area. The name "*Middle Road*" is already in use in the community and was recommended by the Little Lake Fire District.

Notices to the affected owners were mailed on October 29th, 2020. To date, the Department has received one response, in favor, of the proposal.

The project is consistent with the applicable goals and policies of the General Plan, the Mendocino County Addressing Ordinance (MCC Chapter 18.16) and has been determined to be Categorical Exempt from CEQA under Class 1(g). Therefore, staff recommend the Zoning Administrator adopt the name *Middle Road* for this private road, and finding the project to be Categorical Exempt, direct staff to assign addresses accordingly.
