Relating to finding #9 we now have 13 active members and 1 inactive member.

In finding #18 I disagree that the WCWD covers slightly less than 10 square miles, I believe it covers closer to approximately 1 square mile.

We are currently implementing recommendation #1 as we have 13 active members and 1 inactive member leaving space on the roster for 1 new member. We will release the inactive member when a second proposed new member is activated.

We are currently implementing recommendation #2 as we have set up a district formation committee and are in contact with LAFCO.
