MEMORANDUM

May 28, 2021

RE: RN 2020-0013 Redwood Creek Road

This project is the third of three associated road naming projects in the area southeast of Willits off Ridgewood Road.

*Redwood Creek Road* is a private road located 5.5± miles southeast of Willits on the south side of Bear Canyon Road (private), 0.44± miles east of its intersection with Lakewood Drive (CR 304-B). If case number RN 2020-0009 is approved to create *Middle Road*, this road will actually access between *Middle Road* and Mariposa Creek Road.

*Redwood Creek Road* serves approximately 8 parcels, and provides access to the easternmost area bound by Bear Canyon Road to the north and Mariposa Creek Road to the east and south.

Per comments received by property owners, the name "*Redwood Creek Road*" has been in local use for this road for some time, and it was recommended by the Little Lake Fire District.

There is one existing address northwest of Willits assigned as "*Redwood Creek Road*". Staff believes this is an incorrect address, as there is no road in the area with that name. This parcel will receive a change of address to eliminate any possible confusion between the two.

The project is consistent with the applicable goals and policies of the General Plan, the Mendocino County Addressing Ordinance (MCC Chapter 18.16) and has been determined to be Categorically Exempt from CEQA under Class 1(g). Therefore, staff recommends the Zoning Administrator adopt the name *Redwood Creek Road* for this private road, and finding the project to be Categorically Exempt, directs staff to assign addresses accordingly.
