Re: Response to 2/21/06 Grand Jury Report
"COUNTRY SCHOOLS ARE ALIVE AND WELL..."

To the Grand Jury:

Because our district is presently between administrators, the Board of Trustees responds as follows:

RESPONSE TO RECOMMENDATIONS 3 & 4

Respondents BOARD OF TRUSTEES OF LEGGETT VALLEY UNIFIED SCHOOL DISTRICT agree wholeheartedly with the Grand Jury's findings, assessments and perceptions of our school, and fully intend to continue to provide the benefits of a small, rural site in conjunction with offering the children of our community the finest education possible.

As to Recommendation No. 4, again, Respondents agree and thank the Grand Jury for bringing this fact to our attention. Our goal for this coming year will be for the replacement and upgrade of the Continuation High School facility, which we believe should become a welcoming and supportive environment for our alternative education students, who have had enough obstacles to education placed in their path, without the additional disadvantage of being hidden away in a dismal, decaying, decrepit and dangerous trailer. We have placed this item on our next meeting's agenda for action.

Thank you for your observations, and for the time and effort you provide with your service on the Grand Jury.

Respectfully submitted,

MARCIA ANN BRADLEY, CLERK OF THE BOARD
LEGGETT VALLEY UNIFIED SCHOOL DISTRICT
BOARD OF TRUSTEES
