Planning & Building Services

Following is the response to a Notice Of Public Hearing dated August 2, 2021 in regards to planned construction at the Anderson Valley Health Center, which is located adjacent to the Boonville Airport.

This necessary expansion of the Anderson Valley Health Center will have no negative impact on Boonville Airport operations and/or safety. This expansion project is strongly supported by all members of the Boonville community and should be approved immediately.

If you have any additional concerns or questions please contact me at (707) 895-2949.

Thank you,

Kirk E. Wilder
Boonville Airport Manager
