MEMORANDUM

DATE: OCTOBER 28, 2021
TO: COASTAL PERMIT ADMINISTRATOR
FROM: SAM VANDY VANDEWATER, SENIOR PLANNER
SUBJECT: CDP_2019-0003 – CONTINUE TO DATE CERTAIN (NOVEMBER 17, 2021)

On October 6, 2021, California Coastal Commission staff provided comments on the aforementioned project. The comments expressed concern for the permitting of the Family Care Unit (FCU) without information to demonstrate adequate water supply. In response, the Applicants have decided to remove the FCU from the project request and would like additional time to prepare a new site plan reflecting as such. This continuance will also provide County staff sufficient time to amend project documents to reflect the changes to the project proposal. Therefore, it is requested that the project be continued to the November 17, 2021 Coastal Permit Administrator hearing.
