To whom it may concern,

I am attaching a copy of notification to the Native American contacts when a 3 acre conversion was performed in 2008 on property I am now requesting for subdivision. All tribes listed on these 2 pages were notified and there was no request for an archeological survey then.

I am questioning the need for an extensive survey now.

I wanted to send these papers before the Zoom meeting on November 10 at 2:00.

Please forward if necessary to interested parties.

Thank you,

Barbara Willens
