

MENDOCINO COUNTY MENTAL HEALTH SERVICES ACT PROGRAMS:

Mendocino County offers the following programs through the MHTA Three Year* (FY 20/21-22/23) Program and Expenditure Report

MHTA COMPONENT	MHTA PROGRAM TITLE	PROGRAM SERVICE DESCRIPTION	AGES SERVED	Region Served	SERVICE PROVIDER
CSS	Full Service Partnerships (FSPs)	FSPs utilize a “whatever it takes” service delivery model that provides care management from the perspective of a partnership with the consumer and their natural supports. Specialty mental health providers identify consumers that are at risk, require higher levels of care, or more intensive service delivery. Care plans include crisis prevention and response. When consumers no longer need the level of intensity offered by FSPs they are transitioned to less intensive outpatient services.	Child & Family TAY Adult Older Adult	All regions eligible, service predominantly Ukiah, Fort Bragg, and Willits	Specialty Mental Health Providers through RQMC 350 E Gobbi St., Ukiah, CA 95482 707-472-0350
CSS	Parent Partner Program	The Parent Partner Program supports parents through a peer model designed to assist families, specifically parents, of children struggling with mental health issues. Making use of peer support and education support services, the family improves its ability to access care, navigate systems, and manage their mental health concerns.	Parents of Children and Youth	South Coast	Action Network 39144 Ocean Dr., Gualala, CA 95445 707-884-5413
