Subject: Opposition to AP 2021-0010

Dear Julia Krog, Director of Planning and Building,

I am writing to express my strong opposition to AP 2021-0010. I am a resident of Rays Road and I enjoy the peace and quiet of this area. I am strongly opposed to having a party venue on Rays Road, with hundreds of people coming and loud music occurring every other weekend. This will create a huge amount of traffic on this small road, and will create loud noises late at night. I'm also concerned about the impact to my safety and the safety of my family since I'm sure many attendees will be intoxicated and could wander onto nearby properties including ours. Rays Road is a peaceful, quiet community and we do not want a loud party venue. I urge you to deny this application.

Please attach this email to the application so it is reviewed as part of the application.

Thank you,

Sarah Rizk
