Hello Ms. Waldman. I trust this email finds you well.

As you are aware, this above-referenced matter was continued from August 25<sup>th</sup> to October 13<sup>th</sup>. Several weeks ago, we received notice from the applicants that they were making changes to the previously submitted plans. As of this date, we have not received the design changes. Since changes are being made to the design, is the hearing on October 13<sup>th</sup> going to be rescheduled to a later date? Please let us know as soon as possible since the date is rapidly approaching.

Thanks, Bill Buechler
