**RE: CD0\_2019-0018**

Dear Ms. Sar:

This correspondence is the Sherwood Valley Tribe's response regarding the above named project at 27730 N. Hwy 1, FB.

The overall general area has cultural resources and contemporary uses by the tribal people. The absence of specific site information does not indicate the absence of cultural resources in any project area. The Tribe would like to go on the record as the MLD of the project area.

The tribal contact is Valerie Stanley, THPO, [svrthpo@sherwoodband.com](mailto:svrthpo@sherwoodband.com).  
Thank you.

Sincerely,

Valerie Stanley, THPO
