HAVE MEDI-CAL?

Follow these steps:

GET FREE AT-HOME COVID-19 ANTIGEN TESTS

Pharmacist can use this prescription to provide 8 at-home COVID-19 tests for each person.

1. **Get the Medi-Cal card(s) for each person in your family.**

   - Each person with a Medi-Cal or Medicare card can receive up to 8 tests (or 4 boxes if each box has 2 tests) each month

   - Test availability may be limited by store supply

2. **Go to a pharmacy** or store with a pharmacy.

3. **Go to the counter where prescriptions are dropped off.** Staff at other registers cannot give out COVID-19 test.

4. **Show your Medi-Cal card(s)** and ask for 8 at-home COVID-19 tests for each person.

5. **Take your tests home.** If you need more tests next month, repeat these steps.
