Healthy Habit Challenges

You can create a challenge for a Healthy Habit you're currently tracking, or try out one of the many other habits from topics like Sleeping Well, Being Productive, Managing My Finances and more. Simply track it every day in order to reach your goal.

How to start a challenge:

Step 1

From the home page, go to the **Social** tab, select **Challenges** and then select **Create a Challenge**. Once you're in this section, choose **Personal Challenge** or **Healthy Habit Challenge**.

For Personal Challenges, you'll choose the duration of the challenge and start it up.

For Healthy Habit Challenges, you'll select the habit you want to work on, write a personal message and get it started.

Step 2

Now that your challenge is set up, invite others to join! Select **Invite Players**, and you'll have the option to invite from your friends list, search for friends or invite a Group. You can also add an email list of up to 250 people.
