MEMORANDUM

DATE: DECEMBER 14, 2022
TO: COASTAL PERMIT ADMINISTRATOR
FROM: PLANNING STAFF
SUBJECT: CDP 2019-0017 TJOGAS & CONTINUANCE REQUEST

Background: The above referenced application was heard by the Coastal Permit Administrator on July 28, 2022 and the matter was continued to December 14, 2022. This was to provide additional time for the applicant to file grading recommendations. Site topography includes a gulch and Roseman Creek; there are concerns that the cut slope behind the shed is unstable.

Request: On October 21, 2022, the requested information had not yet been filed; therefore, Planning staff requests that the matter be continued to an unspecified date.
