IRS HEALTH CARE ACCOUNT EXPENSES

If a health care charge is eligible for full or partial reimbursement from an insurance carrier, the charge must be submitted to all applicable insurance carriers before this Plan can make payment. Once the claim has been processed the insurance carrier, attach your Explanation of Benefits statement (EOB) with an itemized receipt. If the charge does not need to be submitted to an insurance carrier (copays, prescription copays, eligible over-the-counter drugs, etc.), attach your itemized receipt. Do not attach checks or credit card receipts, as the IRS does not recognize these as valid receipts.

To the best of my knowledge and belief, my statements in this form are complete and true. I am claiming reimbursement only for eligible expenses incurred during the applicable Plan Year and for eligible Plan participants. I certify that these expenses have not been previously reimbursed under this or any other benefit plan, and will not be claimed as an income tax deduction. I authorize my Flexible Spending Account to be reduced by the amount requested.

If this request is missing any vital information, you will receive an Explanation of Benefits (EOB) denying your request with an explanation of the additional information needed to complete the reimbursement. It's imperative that you sign the reimbursement form to avoid a denied request.
