JUN 21 2023
Planning & Building Services

To whom it may concern...

My name is Tom Bunting. I live at 3501 Eastside Calpella Rd. Ukiah, roughly 75 yards from the Kure Dispensary. Lake Mendocino Drive and Eastside Calpella road already have an abundance of automobile traffic. All of which drive faster than the posted speed limit. Eastside Calpella, where I live, is already dangerous for any pedestrian (me and my dog) which need to cross Eastside Calpella road several times a day, ie, to get my newspaper, mail, and daily walks to the river. If this project is allowed, I am requesting more traffic law enforcement, or some traffic calming measure to be implemented. The traffic is already a problem for the residents of Eastside Calpella road and any increase in the traffic, especially by people using marijuana, is not acceptable..

Please oppose this change.

Thank you for your attention.
