

MENDOCINO HISTORICAL REVIEW BOARD PERMIT APPLICATION

FACTS TO KNOW

BACKGROUND: The Historical Preservation District for the Town of Mendocino was incorporated into the Mendocino County Zoning Ordinance in 1973. The Mendocino Historical Review Board was established to review demolition, construction, remodeling, excavation, and painting within the Town of Mendocino Historical Preservation District. The Historic District is comprised of Zone A (area west of Highway 1) and Zone B (area east of Highway 1). The Town of Mendocino is a National Register Historic District, allowing building owners to qualify for federal grants and tax incentives for preservation and restoration.

MENDOCINO HISTORICAL REVIEW BOARD (MHRB): The MHRB is a five-person board appointed by the Mendocino County Board of Supervisors. The MHRB's function is to preserve the architecture and character of the Historic District, through the review of all applications for development within the Historic District. The MHRB is responsible for protecting the landmark status of buildings, and ensuring that new development is compatible with surrounding development.

MHRB GUIDELINES: Design standards are detailed in *The Mendocino Historic Review Board Design Guidelines, 1987* and Section 20.760.050 of the Town of Mendocino Zoning Code. Both publications are available at the Department of Planning & Building Services in Fort Bragg.

MHRB PUBLIC HEARING: The granting of an MHRB permit requires a public hearing by the Mendocino Historical Review Board. The MHRB meets regularly on the FIRST MONDAY evening of each month except holidays. You will be sent an agenda and public notice form notifying you of the hearing time and place that your application will be considered. Planning staff will post the public notice on the affected property at least seven (7) days prior to the public hearing. Please ensure that the posting is not removed prior to the hearing. Additionally, you will be sent a copy of the staff report on your project. You or your agent/representative should appear at the public hearing. Failure to do so may result in continuance to the next public hearing date. If your application is approved, it will be approved as shown on the architectural drawings and on the plot plan, and ONLY as shown thereon.

APPEAL PROCESS: Following a decision by the MHRB, there is a ten (10) day period during which you or any interested party may appeal the MHRB decision to the Board of Supervisors. If no appeal is filed within 10 days of the public hearing, the MHRB decision will be final. Appeals are filed (with an appeal fee) with the Clerk of the Board of Supervisors. If an appeal is filed, the Board of Supervisors will hold a public hearing to consider the appeal. You will be notified by mail of the time and place that the appeal will be considered.

Application Submittal Guidelines

July 2004

The purpose of these guidelines is to make clear the various elements and level of clarity needed in order for an application to be considered complete and accepted for placement on an MHRB hearing agenda. Following these guidelines will make the review of your application easier for boardmembers at the public hearing. If you have any questions, do not hesitate to contact County Planning staff at the address below.

1. Applications must be legible – either typed or neatly printed
2. Where drawings and plans are necessary, those shall be detailed and clear in a manner such that all aspects of the proposal are obvious
3. Provide before and after plans of proposals where appropriate (i.e. additions, remodeling where locations of windows, doors, etc. would change)
4. Lot square footage and lot coverage according to the definition in the Town of Mendocino zoning code must be provided for all applications requesting new lot coverage
5. Dimensions of all proposed construction, demolition and modification shall be provided both on the plans and in the project description
6. Description of materials to be used in the proposed work
7. For proposals involving exterior painting, six color samples for each color must be provided
8. Project location must be indicated on the map included with the application
9. Please double check address and Assessor's Parcel Number

Failure to observe these guidelines could result in the application being rejected as incomplete until the deficiencies are resolved.

Mendocino County Planning and Building Services staff thanks you for your cooperation.
