To Whom It May Concern:

This is Brendan Frye, I am the applicant named on CDP_2023-0017.

Please see the attached PDF for photos of the proposed septic site. I will be attending the meeting at 2pm today via Zoom, and can provide context for the photos and answer any questions. If for whatever reason I cannot connect via Zoom, please call me. I would be there in person, but my wife just gave birth this week!

I will send a second email of photos if the attachments don't fit here.

Best,

Brendan Frye
