Board of Supervisors Direction Regarding Temporary Tents within the Town of Mendocino Historic District

Dear Mendocino Historical Review Board Members,

At the September 12, 2023 Mendocino County Board of Supervisors meeting, the Board of Supervisors discussed temporary restaurant tents and provided direction to Planning and Building Services. This letter contains a summary of the direction given.

The Board of Supervisors directed Planning and Building Services to deprioritize enforcement of restaurant tents within Coastal Zoning for 1 year (including the Town of Mendocino) and directed staff to facilitate collaboration with Mendocino City Community Services District, Mendocino Historical Review Board, California Coastal Commission and State Water Resources Control Board for Tent Policy within the Mendocino Historic District.

In addition, the Board of Supervisors directed Planning and Building Services to inform the Mendocino Historical Review Board that the Board of Supervisors supports tents within the Historic District and advises they are compatible with the Historic District.

Please see attached adopted Action Minutes from the September 12, 2023 Board of Supervisors meeting. The item is contained on Page 197 of the minutes.

As Planning and Building Services begins facilitation of meetings with the agencies listed within the Board of Supervisors direction, there will further engagement with the Mendocino Historical Review Board.

Should you have any questions regarding this letter, please contact me.

Sincerely,

Julia Krog
Director
