

Mendocino County Behavioral Health and Recovery Services

Netsmart FHIR API - Patient Access FAQ Sheet

Mendocino County has partnered with Netsmart to facilitate Patient Access data to our beneficiaries. The following links will navigate you to the required elements.

Integrate with the Netsmart OAuth Service and get credentials and an access token:

<https://careconnect.netsmartcloud.com/>

Review HL7 and HAPI FHIR documentation:

<https://hl7.org/fhir/>

<https://hapifhir.io/>

Service Base URLs:

<https://careconnect.netsmartcloud.com/baseUrls>

Request Authorization for your application:

<https://www.ntst.com/lp/information-sharing/questionnaire>

Patient Access USCDiv1 Resources
