Archaeological Commission, April 10, 2024 Agenda item 3c.
15220 Irish Beach Drive, Manchester CA 95459

Please find attached photos of the location where we would like to build a garage. The area is the home's side yard, mostly lawn with some ornamental plants on the north side (right side of the photo). The story poles visible in the photo represent the edges of the roof eaves at the peak. The lot is in the Irish Beach Subdivision and was cleared and leveled long ago when the subdivision was created.
