**Mental Health Services Act
23-26 Three-Year Plan
30-Day Public Comment Period & Public Hearing
April 24th, 2024 – May 24th, 2024**

WELLNESS · RECOVERY · RESILIENCE

The Mental Health Services Act, also known as Proposition 63, provides increased funding opportunities to transform and support the county mental health programs that provide client and family member driven "recovery and resiliency" mental health services to children, TAY youth, adults, and older adults. The Act is funded through an annual 1 percent tax on income in excess of \$1 million to fund county mental health programs that are consistent with local county approved plans that include broad-based community involvement including mental health service consumers and family members of consumers. This plan outlines the goals and funding guidelines for the next three years. The MHSA consists of five components:

- **Community Services and Supports Plan** provides funds for direct services to individuals with severe mental illness.
- **Prevention and Early Intervention Programs** provides investment of 20% of the MHSA funding for outreach programs for families, providers, and others to recognize early signs of mental illness. The overall goal is to improve early access to services and programs, to reduce stigma and discrimination experienced by individuals with mental illness. MHSA Prevention and Early Intervention Programs serve Californians of all ages.
- **Innovative Programs** funds and evaluates new approaches increasing access to the underserved and unserved communities, promote interagency collaboration, and increase the overall quality of mental health services.
- **Workforce Education and Training Programs** provides funding to improve the capacity of the mental health workforce.
- **Capital Facilities and Information Technology** provides funding for building projects and increasing technological capacity to improve mental illness service delivery.

The 30 day public posting period and Public Hearing are an opportunity for you to ask questions and provide comments on the MHSA Three-Year Plan and/or programs. Comments and questions are collected by email, mail, phone, and verbally during the public hearing, and are responded to formally in writing and the responses are attached to the Three-Year Plan.

If you have any questions or comments please contact Rena Ford, MHSA Program Coordinator at FordRe@mendocinocounty.gov, or 707-472-2724, or by sending them via mail to 1120 S. Dora St. Ukiah, CA 95482 Attn: Mental Health Services Act., or by sending an email to BHRSMHSA@MendocinoCounty.gov

**You are welcome to participate in the
