I agree to use best management practices to prevent storm water pollution.

I agree to comply with all of the regulations of the Mendocino County Well Ordinance (County Code Chapter 16.04) and the State of California as they pertain to water well construction and destruction.

I further understand that the application filing fee is set by resolution of the Board of Supervisors and that **no part of the filing fee** shall be refundable (Mendocino County Well Ordinance §16.04.040 & Mendocino County Ordinance 1135, adopted 1973).

I will request a well seal inspection from Environmental Health no less than 24 hours prior to pouring the annular seal.

This permit expires 1 year from date of issuance if the authorized work has not been completed (Mendocino County code section 16.04.090) 357-0911

Special Conditions

Standard Conditions

1. This permit expires 2 years from the date of issuance as per Mendocino County Code Section 16.08.020, unless renewed prior to the expiration date.
2. The septic system shall be constructed according to this permit and the attached plans and specifications as per Carl Rittiman which DEH received on July 12, 2019.

Prior written approval shall be obtained from DEH for any deviation from the permit or plans.

3. Systems shall be installed no earlier than May 1 and no later than November 1. Persons installing a system at any other time shall obtain written permission from DEH or the designer.
