Dear Commissioners,

I am writing to you to voice my strong support for this proposed cellular tower. I am a resident of Irish Beach and have no cellular service at my residence, 15671 Forest View Rd, Manchester, which is not only inconvenient, but dangerous in emergency situations. This is a common situation in our community and up the Hwy 1 corridor. The Telespan Communications tower would do much to solve the communication dead space issue in and around our community. I urge you to approve the application.

Sincerely,
Thomas Reidenbach
