Dear Commissioners,

My name is Krista Dial and I reside at 43751 Alta Mesa Rd. in Manchester, CA. I am writing to you to express my support for the proposed cell phone tower by Telespan Communications.

As a resident of Irish Beach/Manchester, the vast majority of the time we have no cell service available, and very infrequently so we can get one or two bars for a minute or so. This is a significant issue, especially during emergencies in our rural area. It is also mind boggling in this day and age.

This project will improve emergency response capabilities and provide much-needed connectivity for our community.

Please support this much needed project.

Sincerely,

Krista and RJ Dial
