Dear Commissioners,

I am writing to express my strong support for the proposed cell phone tower by Telespan Communications. My name is Janet Held and have a residence at 14841 Navarro Way in Manchester, CA. Irish Beach has many challenges with cell phone coverage.

Since there is little to no cell phone reception I had an emergency situation with my car along Hwy 1 and had no cell service to reach family or friends to come and help me. Reliable cell coverage is not just a convenience; it is a critical necessity for ensuring the safety and well-being of our residents and visitors, particularly along our remote stretch of Highway 1.

I urge the Commission to approve this project, as it will greatly enhance the quality of life in our community, improve emergency response capabilities, and provide much-needed connectivity in an area that has long been underserved.

Thank you for your consideration.

Regards,

Janet Held

14841 Navarro Way

Manchester, CA. 95459
