 RE: **Legislative Update – October 2024**

---

### **Capitol Update**

The Governor just met his 30-day deadline to take action on the 990 bills that were sent to his Desk. Overall, he vetoed 183 bills, making his veto rate roughly 18% - which has been about his average. Some of the bills that met his red pen were automatic voter registration, a major AI safety bill, and a bill that would have let undocumented immigrants eligible for home loans. During these last few weeks, the Assembly has convened their 2<sup>nd</sup> Extraordinary Session to consider legislation aimed at easing gas price spikes, including the Governor's proposal that would require oil refineries to maintain a minimum supply of fuel. Although, not thrilled with being stuck at the Capitol, legislators are in full campaign-mode, with almost a third of the Legislature's seats turning over in the 100 legislative districts up for election.

### **SACRS is tracking the following bills:**

- **SB 1189 (Limon)** – This bill authorizes the Ventura County Employees' Retirement Association to appoint a Chief Technology Officer. Status: This bill was signed by the Governor on 7/15
- **SB 1379 (Dodd)** – This bill creates an exception to PEPRA from the 960-hour limitation on retired public employees working after retirement for hours worked in an appointment by Solano County Sheriff's Office. Status: This bill was signed by the Governor on 9/29.
- **AB 2284 (Grayson)** – The bill amends the definition of "compensation earnable" to define a work classification "grade" to mean a number of employees considered together because they share similarities in job duties, schedules, unit recruitment requirements, work location, collective bargaining unit, or other logical work-related grouping. The bill was amended on 6/27 to include a provision that requires the Board of Supervisors to pass a resolution to allow for the language to become operational within the jurisdiction. The SACRS Board met on July 18<sup>th</sup> and took an Oppose position. Status: This bill was signed by the Governor on 9/28.

- **AB 2301 (Nguyen)** – This bill, the Sacramento Area Sewer District Pension Protection Act of 2024, provides for the continuation of benefits and pension obligations for employees transferring from the County of Sacramento to the Sacramento Area Sewer District. Status: This bill was signed by the Governor on 7/2.
- **AB 2474 (Lackey)** – This is a SACRS-sponsored bill and was amended in Committee to allow LACERA-only to deposit retirement allowances into prepaid accounts until January 1, 2028, as a pilot program. The bill also provides clarity regarding the ability of a system to deposit pension payments in a member’s living trust bank account. The bill also clarifies potential consequences when a retiree exceeds the 960-hour post-retirement employment limit and provides systems with administrative flexibility on that matter. This bill was signed by the Governor on 7/15.
- **AB 2770 (Committee on Public Employment and Retirement)** – This is the annual housekeeping bill that includes various technical amendments for CalPERS, CalSTRS, and ’37 Act systems. SACRS is a co-sponsor of the bill. The bill removes the “return receipt” requirements as part of current procedures in statute that systems must follow to locate members and beneficiaries. The bill also conforms the sunset date of January 1, 2025, to the Labor Code for the recently added disability presumption for post-traumatic stress disorder. Status: This bill was signed by the Governor on 7/15.
- **AB 3025 (Valencia)** – This bill creates a framework for making benefit corrections and contribution refunds when disallowed compensation is inadvertently included in pension calculations. This bill includes a penalty to be paid by the employer to the member if compensation is later determined to be disallowed. The bill also includes language that is intended to protect a system’s *Alameda* correction process currently underway. The SACRS Legislative Committee is working with the bill’s author and sponsor to ensure ’37 Act systems can properly implement the bill, consistent with IRS regulations. The bill was amended on 6/27 to expressly state that confidential information is not subject to the California Public Records Act. The author has also agreed to accept one last amendment that clarifies “Initiated a process” to mean a system has formally adopted a resolution “*or made an administrative determination*”.

Status: The bill was signed by the Governor on 9/22.

SACRS is also monitoring the following bills that do not impact the '37 Act systems but are of interest:

- **SB 252 (Gonzalez)** – This bill prohibits CalPERS and CalSTRS from making new investments in a fossil fuel company and requires those systems to divest from fossil fuel companies by July 1, 2031, unless the board determines in good faith that the action is inconsistent with the board's fiduciary responsibilities. Status: Dead. This bill was not taken up by the Assembly Public Employment and Retirement Committee.
- **AB 817 (Pacheco)** -. The bill would have provided flexibility for local government agencies to conduct remote meetings under Open Meeting laws. Specifically, this bill would have allowed a subsidiary body of a local agency to teleconference their meetings without having to publicly notice or make all locations publicly available. Status: Dead. This bill did not pass out of the Senate Local Government Committee.
- **SB 1240 (Alvarado-Gil)** – This bill provides for the continuation of pension benefits for employees of El Dorado County Fire Protection District and the Diamond Springs Fire Protection District under a new consolidated district. Status: This bill was signed by the Governor on 9/28.
- **AB 2715 (Boerner)** – This bill allows a legislative body to discuss a threat to critical infrastructure controls or critical infrastructure information relating to cyber security during a closed session. Status: This bill was signed by the Governor on 9/14.
