August 19, 2024

Holly Madrigal
County Planning: Mendocino Historical Review Board
120 W. Fir St.
Fort Bragg, CA 95437

Dear Holly,

The League of Women Voters cordially invites you to our eighteenth annual Meet and Greet Your Local Officials reception on Friday, September 27th, from 5 to 7pm at the Caspar Community Center, located at 15051 Caspar Rd. in Caspar. To ensure fresh air and adequate spacing for participants, this will be an outdoor event again this year.

The League has had great success with its format of having no program, no ceremony, and no speeches, but instead just providing a friendly atmosphere where public officials and community members have time and space to visit and become acquainted. We emphasize that this is not a political event, nor a candidate forum; we therefore ask that no campaign materials be brought to the reception. We also caution those subject to Brown Act requirements to be careful of so-called serial conversations, in which a discussion in the presence of one board member, repeated with another member, even though at a different time, may be held to be a violation.

If you can join us, please reply to me by September 10th, through my voice mail—(707) 964-4942, or via email--jstavely@mcn.org. This event is free and open to the public. Wine and hors d'oeuvres will be served. We hope to “meet and greet” you September 27th.

Sincerely,

Jary Stavely, Event Chair
League of Women Voters of Mendocino Co.
